We are happy to announce that members of AmSAT can now obtain professional liability insurance with your membership in AmSAT. We know how important this benefit is to you, and because of AmSAT's membership in the Federation of Therapeutic Massage, Bodywork, and Somatic Practice Organizations, this high-quality coverage is now available to you at a great price.

Having professional liability insurance coverage as part of your membership gives you the peace of mind that you'll be protected in your day-to-day practice. With your individual coverage, your interests are protected if you're named in a covered lawsuit, and your coverage will travel with you as long as you're practicing within the scope of your license and in accordance with AmSAT modalities not otherwise excluded. As long as you're an AmSAT member in good standing, you're eligible to purchase the new liability insurance! Your 2016 membership renewal packet will include an option to purchase the new liability insurance. For those who already have liability insurance, this policy can be purchased on the anniversary of your insurance coverage.

We're moving to an anniversary system, meaning your 2017 dues will be due on the ANNIVERSARY of when you paid your 2016 dues. Your insurance will be due on the ANNIVERSARY of your INSURANCE POLICY. Because members will need to renew in line with their current insurance policy expiration, there will no longer be a \$10 discount for payment by 15 December or a \$25 late payment after 15 February.

Renewal invoices will be sent out 30 days prior to your membership expiration. You will also get a reminder about your insurance coverage renewal 30 days prior to the policy expiration.

If you are paying for your AmSAT membership with a payment plan, your entire insurance payment will be included in your first payment. We CANNOT provide a payment plan for insurance.
